OUR SELTZER

Generally speaking, we like the word yes-yes to new adventures, yes to a refreshing beverage with friends. But in making our Seltzer we found ourselves practicing the power of no. No preservatives, no BS and definitely no mixing... because mixing is for paint. Our Seltzer is made the only way it should be - brewed in house with crafted Franschoek Valley Spring Water infused with a little flavour and wink. They're gluten-free, low in sugar and less than 100 calories

SALUT ZESTY LIME 29

SALUT BLACK CHERRY 29

We did some cherry-picking in choosing our seltzer, and this one came out on top
4.5% ALC/VOL

SALUT RUBY GRAPEFRUIT 29

Okay, hear us out... you know when you open a bottle and it goes "Tsss"? This tastes like that sound, know what we mean?
