OUR SELTZER

Generally speaking, we like the word yes-yes, yes to a refreshing beverage with friends. Making our Seltzer we found ourselves practicing the power of no. No preservatives, no BS and definitely no mixing... Our Seltzer is made the only way it should be - brewed in house with crafted Franschoek Valley Spring Water infused with a little flavour and wink. They're gluten-free, low in sugar and less than 100 calories.
